Dear Sir/Ma'am,

Sub: Intimation under Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("LODR Regulations")

We wish to inform you that the Company has extended the healthcare services to New Delhi now. Artemis Lite, a multi-speciality hospital, offering high-end and personalized multi-specialty care to neighbourhoods, has been opened on 2nd August, 2022 at A1, New Friends Colony, New Delhi. The hospital has 40+ beds including two operation theatres, 9-bed ICU, 5-bed day-care chemo suite, 4-bed NICU, labour delivery rooms and multi-specialty wards.

The hospital will cater to 12+ specialties besides offering routine wellness programs, diagnostic services, preventive care and other advanced care treatments, all under one roof. The idea of personalised neighbourhood healthcare facilities across the city and beyond takes healthcare into a new realm. It will help us reach out to a wider audience nearer to their home. We are looking forward to open more such centres in NCR in the coming years.

Submitted for your information & records.

Thanking you,

Yours Faithfully,

For Artemis Medicare Services Limited
