Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Ma'am,

This is in continuation to our intimation to the Stock Exchanges on February 1, 2022 regarding an arrangement of the Company with PolyClinique De L'Ouest Ltee, Republic of Mauritius ("Partner") for the Operation and Management of two Hospitals, Artemis Curepipe Hospital (formerly known as St Helene Clinique) and Coromandel Cancer Hospital.

It may be noted that as informed earlier vide our intimation letter dated June 23, 2023, the operations of the first hospital under the name "Artemis Curepipe Hospital" have commenced and now the hospital is ramping up its operations successfully.

Further, the Company's Partner has taken a strategic decision to first focus on establishing the Artemis Curepipe Hospital as the go to destination for the people of Mauritius for their healthcare needs. The Company and its Partner will later leverage the goodwill generated from the first hospital to attract patients for the second hospital, the Coromandel Cancer Hospital, which will be an Oncology focussed hospital while offering other allied specialities too. In view of that the Partner has decided that the Coromandel Cancer Hospital will be operationalised after the Artemis Curepipe Hospital has optimised its operations.

Submitted for your information and records.

Thanking you,
Yours Faithfully,

For Artemis Medicare Services Limited
